

Thank You Letter

Dear Bay Area Adoption Services:

This is to inform you that the five incubators your organization donated in 2005 were distributed to the social welfare institutes which needed them the most. These social welfare institutes are: Fu Ling District Social Welfare Institute, Qian Jiang District Social Welfare Institute, Yun Yang County Social Welfare Institute, Feng Du County Social Welfare Institute and Xiu Shan Tu Jia Miao Autonomous County Children's Welfare Institute.

Love is borderless and invaluable. Your generosity made it possible for the orphaned infants in the social welfare institutes to have better medical care. Your love has left roots in these children's hearts. We want to express our sincere gratitude and appreciation to you on behalf of all the orphaned children in the social welfare institutes of Chongqing.
